Dear Friends:

It is my great pleasure to congratulate the AMT Children of Hope Foundation for all of the good works that you have done for Connecticut families. Since the passage of Connecticut's Safe Haven law three years ago, you have provided critical assistance to mothers, infants, and families alike in ensuring that children have the opportunity to be raised in a loving and supportive environment.

So far, six newborns have been united with families. However, your impact reaches far beyond these six households. The entire community has been touched by your dedication to our most valuable resource and we all owe you a debt of gratitude for your work. Thanks to the care and commitment of the men and women of the AMT Children of Hope Foundation and the Children First Foundation, the future for six special children is very bright indeed.

Again, please accept my best wishes on this special occasion.

With Warmest Regards,

JOSEPH I. LIEBERMAN
United States Senator
